Cablul.ro

KMH/Q label holder (halogen-free / high packing density)

THERMAL PROPERTIES

ŧ	Temperature / temperature range -40 – 100 °C transient / short term 10
	-40 – 100 °C transient / short term 10

-40 – 100 °C transient / short term 160 °C

FIRE BEHAVIOUR

Fire classification

GENERAL TECHNICAL DATA

Halogen-free

KMH/Q label holder (halogen-free / high packing density)

APPROVALS AND OPERATING PERMITS

Railway EU approval EN 45545-2 : 2016

TECHNICAL INFORMATION

Halogen-free

Cable tie system with sleeves

All details given in our sales material prospectuses and catalogues as well as the information available online are based on our current knowledge of the products described.

The electronic data and files made available by Murrplastik, particularly CAD files are based on our current knowledge of the product described.

A legally binding assurance of certain properties or the suitability for a certain purpose can not be determined from this information.

All information with respect to the chemical and physical properties of Murrplastik products as well as application advice given verbally, in writing or by tests, is given to the best of our knowledge.

This does not free the purchaser of carrying out their own inspections and tests in order to determine the suitability of a product for a specific purpose.

Murrplastik accepts no responsibility for the available information being up-to-date, correct or complete. Neither do we accept responsibility for the quality of this information.

Murrplastik accepts no liability for damage caused as a result of using our products.

Murrplastik reserves the right to make technical changes and improvements through constant further development of products and services.

Our General Terms and Conditions apply.
